

Washtenaw Community College ICHAT Request Instructions

As part of the application process, MCOLES requires all applicants to obtain an ICHAT report.

Recruits can access ICHAT by the internet web address www.michigan.gov/ichat. You will be required enter your name and DOB to conduct the search, pay the requisite \$10 fee via credit card. You should print off the report and submit it with your application to the training director. Recruits who fail to provide an ICHAT report will not be considered for enrollment. Recruits fingerprinted before December 31, 2015, should already have a CHRI report on file with MCOLES.
